

Implementation of
ISO 3272-4:1994

Microfilming of technical drawings and other drawing office documents —

Part 4: Microfilming of drawings of
special and exceptional elongated sizes

UDC 778.14:744

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Information and Documentation Standards Policy Committee (DOT/-) to Technical Committee DOT/16, upon which the following bodies were represented:

- British Computer Society
- British Library
- British Office Technology Manufacturers' Alliance
- British Photographic Association
- Cranfield Imaging and Document Management User Group
- Her Majesty's Stationery Office
- KODAK Limited
- Library Association
- London Borough of Bromley
- National Centre for Information Media and Technology (Cimtech)
- United Kingdom Association for Information and Image Management

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Federation of the Electronics Industry
- Local Authority Organizations
- Ministry of Defence
- Royal Institute of British Architects

This British Standard, having been prepared under the direction of the Information and Documentation Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 May 1994
