

Implementation of
ISO 3322:1985

Fluid power systems and components — Cylinders — Nominal pressures

ICS 23.100.20

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee MCE/18, Fluid power systems and components, to Subcommittee MCE/18/3, Cylinders, upon which the following bodies were represented:

- Association of British Mining Equipment Companies
- British Compressed Air Society
- British Fluid Power Association
- British Iron and Steel Producers' Association
- Processing and Packaging Machinery Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 October 1996
