Measurement of noise emitted by accelerating road vehicles — Engineering method

Part 3: Indoor testing M and N categories

National foreword

This British Standard is the UK implementation of ISO 362-3:2016.

The UK participation in its preparation was entrusted to Technical Committee EH/1/2, Transport noise.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
