

BS ISO 4302:2016

BSI Standards Publication

Cranes — Wind load assessment

National foreword

This British Standard is the UK implementation of ISO 4302:2016.

The UK participation in its preparation was entrusted to Technical Committee MHE/3/1, Crane design.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
