

Aircraft — Connectors for ground electrical supplies

Part 1: Design, performance and test requirements

ICS 49.060; 49.100

Confirmed December 2008

National foreword

This British Standard is the UK implementation of ISO 461-1:2003. It supersedes BS 4G 173-1:1985 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 August 2008
