Tractors for agriculture and forestry — Measurement of noise at the operator's position — Survey method

National foreword

This British Standard is the UK implementation of ISO 5131:2015. It supersedes BS ISO 5131:1996 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AGE/6, Agricultural tractors and forestry machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
