

BSI Standards Publication

Cross-country skis — Determination of fatigue indexes — Cyclic loading test

National foreword

This British Standard is the UK implementation of ISO 7798:2017.

The UK participation in its preparation was entrusted to Technical Committee SW/136, Sports, playground and other recreational equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
