BSI Standards Publication

Mechanical contraceptives — Reusable natural and silicone rubber contraceptive diaphragms — Requirements and tests

National foreword

This British Standard is the UK implementation of ISO 8009:2014.

The UK participation in its preparation was entrusted to Technical Committee CH/157, Mechanical contraceptives.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
