

Rubber — Dissolution by acid digestion

ICS 83.060

National foreword

This British Standard was published by BSI. It is the UK implementation of ISO 9028:2006. It supersedes BS 7164-4:1990 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/23, Test methods for rubber and non-black compounding ingredients.

A list of organizations represented on PRI/23 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2006
