

BS ISO 9787:2013

BSI Standards Publication

Robots and robotic devices — Coordinate systems and motion nomenclatures

National foreword

This British Standard is the UK implementation of ISO 9787:2013. It supersedes BS EN ISO 9787:1999 which is withdrawn.

NOTE: Although the previous edition of this standard was implemented as a European standard, it is not expected that this new edition will be endorsed by CEN.

The UK participation in its preparation was entrusted to Technical Committee AMT/-/2, Robots and robotic devices.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
