

Information and documentation — Guidelines for the content, organization and presentation of indexes

ICS 01.140.20

National foreword

This British Standard is the UK implementation of ISO 999:1996. It supersedes BS 3700:1988 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee IDT/2, Information and documentation, to Subcommittee IDT/2/2, Indexes, filing and thesauri.

A list of organizations represented on this Subcommittee can be obtained on request of its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the DISC Board, was published under the authority of the Standards Board and comes into effect on 15 February 1997
