

BS ISO/IEC 14957:2010

BSI Standards Publication

Information technology — Representation of data element values — Notation of the format

National foreword

This British Standard is the UK implementation of ISO/IEC 14957:2010.

The UK participation in its preparation was entrusted to Technical Committee IST/40, Data management and interchange.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
