

Software engineering — Life cycle process — Project management

ICS 35.080

National foreword

This British Standard is the UK implementation of ISO/IEC 16326:2009. It supersedes BS ISO/IEC 16326:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/15, Software and systems engineering.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 January 2010
