Information technology — Radio frequency identification device performance test methods

Part 3: Test methods for tag performance

National foreword

This British Standard is the UK implementation of ISO/IEC 18046-3:2020. It supersedes BS ISO/IEC 18046-3:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/34, Automatic identification and data capture techniques.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
