Part 5: Extensible Datatypes

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO/IEC 19757-5:2011.

The UK participation in its preparation was entrusted to Technical Committee IST/41, Document description and processing language.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
