Part 4: Finger image data

National foreword

This British Standard is the UK implementation of [ISO/IEC 19794-4:2005](#), incorporating corrigendum October 2011.

The UK participation in its preparation was entrusted to Technical Committee IST/44, Biometrics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
