National foreword

This British Standard is the UK implementation of ISO/IEC 23003-3:2012, incorporating corrigenda September 2012, September 2013 and December 2014.

Due to the technical nature of this standard these three corrigenda have been appended at the end of this document.

The UK participation in its preparation was entrusted to Technical Committee IST/37, Coding of picture, audio, multimedia and hypermedia information.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
