

BS ISO/IEC 26550:2015

BSI Standards Publication

Software and systems engineering — Reference model for product line engineering and management

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO/IEC 26550:2015. It supersedes BS ISO/IEC 26550:2013 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/15, Software and systems engineering.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
