

BSI Standards Publication

Information technology — Telecommunications and information exchange between systems — Local and metropolitan area networks — Specific requirements

Part 1AB: Station and media access control connectivity discovery

National foreword

This British Standard is the UK implementation of ISO/IEC/IEEE 8802-1AB:2017. It supersedes BS ISO/IEC/IEEE 8802-1AB:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/6, Data communications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
