

BSI Standards Publication

Information technology - Telecommunications and information exchange between systems - Local and metropolitan area networks

Part 1AC: Media access control (MAC) service definition

National foreword

This British Standard is the UK implementation of ISO/IEC/IEEE 8802-1AC:2018.

The UK participation in its preparation was entrusted to Technical Committee IST/6, Data communications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
