**Sodium hydrogen carbonate for industrial use —
Determination of sodium hydrogen carbonate content —
Titrimetric method**

First edition — 1972-06-15

UDC 661.321.8 : 546.33'264-384.1 : 543.24

Ref. No. ISO 2199-1972 (E)

Descriptors : sodium carbonates, chemical analysis, determination of content, volumetric analysis.
