|--------------------------------------------------------------------------------------------------|------|
| Foreword .....                                                                                   | iv   |
| Introduction .....                                                                               | vi   |
| <br><b>Section 1: General</b>                                                                    |      |
| 1.1 Scope .....                                                                                  | 1    |
| 1.2 Normative references .....                                                                   | 1    |
| 1.3 Principles and rules followed .....                                                          | 2    |
| 1.3.1 Definition of an entry .....                                                               | 2    |
| 1.3.2 Organization of an entry .....                                                             | 2    |
| 1.3.3 Classification of entries .....                                                            | 2    |
| 1.3.4 Selection of terms and wording of definitions .....                                        | 3    |
| 1.3.5 Multiple meanings .....                                                                    | 3    |
| 1.3.6 Abbreviations .....                                                                        | 3    |
| 1.3.7 Use of parentheses .....                                                                   | 3    |
| 1.3.8 Use of brackets .....                                                                      | 3    |
| 1.3.9 Use of terms printed in italic typeface in definitions and the use<br>of an asterisk ..... | 4    |
| 1.3.10 Spelling .....                                                                            | 4    |
| 1.3.11 Organization of the alphabetical index .....                                              | 4    |
| <br><b>Section 2: Terms and definitions</b>                                                      |      |
| 19 Analog computing .....                                                                        | 5    |
| 19.01 Functional units .....                                                                     | 5    |
| 19.02 Modes and operations .....                                                                 | 7    |
| <br><b>Alphabetical indexes</b>                                                                  |      |
| English .....                                                                                    | 9    |
| French .....                                                                                     | 10   |
