"The American National Standards Institute (ANSI) is the primary source and official sales agent for ISO standards in the United States. ANSI was granted an exclusive license to distribute and sell ISO standards, technical reports, drafts and other priced publications within the U S A. Under this license agreement ISO has granted to ANSI the right to reproduce ISO standards and drafts within the territories of the United States"

**Earth-moving machinery — Machine
availability — Vocabulary**

**Engins de terrassement — Disponibilité d'un
engin — Vocabulaire**
