rewritable disk (DVD-RAM)**

*Technologies de l'information — Disque à réécriture DVD de diamètre  
120 mm (DVD-RAM)*

| <b>Contents</b>                                  | <b>Page</b> |
|--------------------------------------------------|-------------|
| <b>Section 1 - General</b>                       | <b>1</b>    |
| <b>1 Scope</b>                                   | <b>1</b>    |
| <b>2 Conformance</b>                             | <b>1</b>    |
| 2.1 Optical Disk                                 | 1           |
| 2.2 Generating system                            | 1           |
| 2.3 Receiving system                             | 1           |
| <b>3 Normative references</b>                    | <b>1</b>    |
| <b>4 Definitions</b>                             | <b>1</b>    |
| 4.1 Case                                         | 1           |
| 4.2 Channel bit                                  | 2           |
| 4.3 Digital Sum Value (DSV)                      | 2           |
| 4.4 Disk Reference Plane                         | 2           |
| 4.5 Dummy substrate                              | 2           |
| 4.6 Embossed mark                                | 2           |
| 4.7 Entrance surface                             | 2           |
| 4.8 Land and Groove                              | 2           |
| 4.9 Mark                                         | 2           |
| 4.10 Phase change                                | 2           |
| 4.11 Polarization                                | 2           |
| 4.12 Recording layer                             | 2           |
| 4.13 Sector                                      | 2           |
| 4.14 Space                                       | 2           |
| 4.15 Substrate                                   | 2           |
| 4.16 Track                                       | 2           |
| 4.17 Track pitch                                 | 2           |
| 4.18 ZCLV                                        | 2           |
| 4.19 Zone                                        | 2           |
| <b>5 Conventions and notations</b>               | <b>2</b>    |
| 5.1 Representation of numbers                    | 2           |
| 5.2 Names                                        | 3           |
| <b>6 List of acronyms</b>                        | <b>3</b>    |
| <b>7 General description of the optical disk</b> | <b>3</b>    |
| <b>8 General requirements</b>                    | <b>4</b>    |
| 8.1 Environments                                 | 4           |
| 8.1.1 Test environment                           | 4           |
