

Guide to the contents of certificates and labels of reference materials

ICS 03.120.30; 17.020

National foreword

This Published Document reproduces verbatim ISO Guide 31:2000. It supersedes PD 6532-2:1992 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/6, Precision of test methods, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
