# National foreword

This Published Document reproduces verbatim CR 1749:1998.

The UK participation in its preparation was entrusted to Technical Committee GSE/-/4, Briefing committee for CEN/PC3, which has the responsibility to:

— aid enquirers to understand the text;

— present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;

— monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

**Cross-references**

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled "International Standards Correspondence Index", or by using the "Find" facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

**Compliance with a British Standard does not of itself confer immunity from legal obligations.**

**Summary of pages**

This document comprises a front cover, an inside front cover, the CR title page, pages 2 to 21 and a back cover.

The BSI copyright notice displayed throughout this document indicates when this document was last issued.

This Published Document , having been prepared under the direction of the Engineering Sector Committee , was published under the authority of the Standards Committee and comes into effect on 15 August 1999
