Hand-arm vibration — Guidelines for vibration hazards reduction

Part 1. Engineering methods by design of machinery

Committees responsible for this Published Document

The preparation of this Published Document was entrusted to Technical Committee GME/21, Mechanical vibration and shock, upon which the following bodies were represented:

Federation of Civil Engineering Contractors
Imperial College of Science and Technology
Institute of Sound and Vibration Research
Institution of Mechanical Engineers
Lloyd's Register of Shipping
Ministry of Defence
Open University
Power Generation Contractors Association (PGCA (BEAMA Ltd.))
Railway Industry Association
Society of British Aerospace Companies Limited
Society of Environmental Engineers

The following bodies were also represented in the drafting of the Published Document, through subcommittees and panels:

Agricultural Engineers' Association
British Compressed Air Society
British Gas plc
British Hydraulic Tool Manufacturers' Association
British Industrial Truck Association
British Occupational Hygiene Society
British Railways Board
Forestry Commission
Health and Safety Executive
Institute of Explosives Engineers
Institute of Naval Medicine
Institution of Electrical Engineers
Portable Electric Tool Manufacturers' Association
University of Salford

This Published Document, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on
15 April 1996
