

Destructive tests on welds in metallic materials — Hot cracking tests for weldments — Arc welding processes —

Part 3: Externally loaded tests

ICS 25.160.40

National foreword

This Published Document reproduces verbatim ISO/TR 17641-3:2005.

The UK participation in its preparation was entrusted to Technical Committee WEE/2, Welding tests, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
