Corrugated metal hose assemblies for pressure applications

Part 3: Design method

National foreword

This Published Document is the UK implementation of CEN/TR 14585-3:2017.

The UK participation in its preparation was entrusted to Technical Committee GSE/42, Gas fittings and connections including metal hose and hose assemblies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
