

Wood preservatives — Determination of the preventive efficacy against wood destroying basidiomycetes fungi

ICS 71.100.50

National foreword

This Published Document is the official English language version of CEN/TR 14839:2004.

The UK participation in its preparation was entrusted by Technical Committee B/515, Wood preservation, to Subcommittee B/515/4, Assessment of preservation efficacy, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
