

Precast concrete products — Full-scale testing requirements in standards on precast concrete products

ICS 91.100.30

National foreword

This Published Document is the official English language version of CEN/TR 14862:2004.

The UK participation in its preparation was entrusted to Technical Committee B/524, Precast concrete products, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
