

BSI Standards Publication

Road restraint systems — Guidelines for computational mechanics of crash testing against vehicle restraint system

Part 1: Common reference information
and reporting

National foreword

This Published Document is the UK implementation of CEN/TR 16303-1:2012.

The UK participation in its preparation was entrusted by Technical Committee B/509, Road equipment, to Subcommittee B/509/1, Road restraint systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
