

BSI Standards Publication

Vitrified clay pipe systems for drains and sewers — Guidance for voluntary third-party certification procedures

National foreword

This Published Document is the UK implementation of CEN/TR 16626:2014.

The UK participation in its preparation was entrusted to Technical Committee B/505/2, Clay Pipes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
