

# **Cable networks for television signals, sound signals and interactive services — System guidelines for analogue optical transmission systems**

ICS 33.060.40

# National foreword

This Published Document is the official English language version of CLC/TR 50460:2005.

The UK participation in its preparation was entrusted to Technical Committee EPL/100, Audio, video and multimedia systems and equipment, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

NOTE On receipt of the ratified text of CLC/TR 50460:2005 from CENELEC it was noted that some of the figures and tables were incorrectly numbered. These typographical errors have been corrected in PD CLC/TR 50460:2005 and CENELEC TC 209 has been notified of the errors.

## Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
