

BSI Standards Publication

Clothes washing machines for household use — Method for measuring the microbial contamination reduction

National foreword

This Published Document is the UK implementation of IEC/PAS 62958:2015.

The UK participation in its preparation was entrusted by Technical Committee CPL/59, Performance of household electrical appliances, to Subcommittee CPL/59/1, Dishwashers and washing machines.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
