

BSI Standards Publication

Fire performance of communication cables installed in buildings

National foreword

This Published Document is the UK implementation of IEC TR 62222:2021. It supersedes [PD IEC/TR 62222:2012](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/46, Cables, wires and waveguides, radio frequency connectors and accessories for communication and signalling.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
