

BSI Standards Publication

Framework for energy market communications

Part 103: Review of information exchanges within the deregulated
European style retail energy market from a CIM perspective

National foreword

This Published Document is the UK implementation of IEC TR 62325-103:2017.

The UK participation in its preparation was entrusted to Technical Committee PEL/57, Power systems management and associated information exchange.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
