Process management for avionics - Atmospheric radiation effects

Part 6: Extreme space weather and potential impact on
the avionics environment and electronics

National foreword

This Published Document is the UK implementation of IEC/TR 62396-6:2017. It supersedes PD IEC/PAS 62396-6:2014 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/107, Process management for avionics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
