

BSI Standards Publication

Application of risk management for IT-networks incorporating medical devices

Part 2-5: Application guidance —
Guidance on distributed alarm systems

National foreword

This Published Document is the UK implementation of IEC/TR 80001-2-5:2014.

The UK participation in its preparation was entrusted by Technical Committee CH/62, Electrical Equipment in Medical Practice, to Subcommittee CH/62/1, Common aspects of Electrical Equipment used in Medical Practice.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
