

PD IEC/TS 61586:2017

BSI Standards Publication

Estimation of the reliability of electrical connectors

National foreword

This Published Document is the UK implementation of IEC/TS 61586:2017. It supersedes BS IEC 61586:1997 which is now withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
