

BSI Standards Publication

Guidelines for principal component reliability testing for LED light sources and LED luminaires

National foreword

This Published Document is the UK implementation of IEC/TS 62861:2017.

The UK participation in its preparation was entrusted by Technical Committee CPL/34, Lamps and Related Equipment, to Subcommittee CPL/34/1, Electric lamps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
