Hybrid insulators for a.c. and d.c. high-voltage applications — Definitions, test methods and acceptance criteria

National foreword

This Published Document is the UK implementation of IEC/TS 62896:2015.

The UK participation in its preparation was entrusted to Technical Committee PEL/36, Insulators for power systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
