

BSI Standards Publication

Information technology — Security techniques — Identity proofing

National foreword

This Published Document is the UK implementation of ISO/IEC TS 29003:2018.

The UK participation in its preparation was entrusted to Technical Committee IST/33/5, Identity Management and Privacy Technologies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
