

Textiles — Methods of simulating colour change during actual wear by means of laboratory colour- fastness tests

ICS 59.080.01

National foreword

This Published Document is the UK implementation of ISO/TR 12116:2008.

The UK participation in its preparation was entrusted to Technical Committee TCI/81, Colour fastness and colour measurement of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This Published Document was published under the authority of the Standards Policy and Strategy Committee on 31 October 2009
