

Lifts, escalators and passenger conveyors — Comparison of worldwide standards on electromagnetic interference/ electromagnetic compatibility

ICS 33.100.01; 91.140.90

National foreword

This Published Document reproduces verbatim ISO/TR 16764:2003.
The UK participation in its preparation was entrusted to Technical Committee MHE/4, Lifts, hoists and escalators, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
