

BSI Standards Publication

## **Buildings and civil engineering works — Sealants — Paintability and paint compatibility of sealants**

---

## National foreword

This Published Document is the UK implementation of ISO/TR 20436:2017.

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
