

BSI Standards Publication

Resilience of buildings and civil engineering works

National foreword

This Published Document is the UK implementation of ISO/TR 22845:2020.

The UK participation in its preparation was entrusted to Technical Committee CB/-/8, ISO/TC 59 Input Coordination.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
