

Metallic materials — Measurement of mechanical properties by an instrumented indentation test — Indentation tensile properties

ICS 77.040.10

National foreword

This Published Document is the UK implementation of ISO/TR 29381:2008.

The UK participation in its preparation was entrusted to Technical Committee ISE/NFE/4, Mechanical testing of metals.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This Published Document was published under the authority of the Standards Policy and Strategy Committee on 31 December 2008
