BSI Standards Publication

Connectors for fluid power and general use — Designation and nomenclature

National foreword

This Published Document is the UK implementation of ISO/TS 11672:2016.

The UK participation in its preparation was entrusted by Technical Committee MCE/18, Fluid power systems and components, to Panel MCE/18/-/4, Connectors and associated components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
