BSI Standards Publication

Food safety management systems — Requirements for bodies providing audit and certification of food safety management systems

bsi.

...making excellence a habit.™

National foreword

This Published Document is the UK implementation of ISO/TS 22003:2013.

The UK participation in its preparation was entrusted to Technical Committee AW/90, Quality systems for the food industry.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
